HISTORY

The Swannanoa Valley, including the cities of Black Mountain, Swannanoa and Asheville, has been a major center of artistic activity for many years. The Swannanoa Valley Fine Arts League (SVFAL) is one of the oldest art organizations in this area, being founded in 1967 by eleven artists, meeting at the Monte Vista Hotel in Black Mountain. Classes, workshops and special programs were begun in 1968. Today, the League maintains an active schedule and draws its members from throughout Western North Carolina. The SVFAL, as a non-profit 501(3) tax exempt corporation, has as its major purposes:

- A setting to cultivate the creative talents of beginning and accomplished artists;
- a permanent and continuous gallery space for member exhibits and receptions;
- a home for operation of the league including classrooms, meeting rooms, and workshop areas;
- and working “entrepreneurial” studio spaces for members where they can also sell their work.

SVFAL

The mission of the Swannanoa Valley Fine Arts League is to inspire artistic growth and excellence among artists through education and exhibition.

ART EXHIBITS

Our annual summer member's fine arts exhibition is open to all members of the League, whatever their level of attainment. Awards are made by a non-member judge. Awards given could include Judge's Choice and Merit Awards. Other fine arts exhibitions, both juried and non-juried are held throughout the year.

SPECIAL EVENTS

Six programs are given each year at the Black Mountain Center for the Arts in Black Mountain. These are open to all members, and to the general public without charge. Members and non-members on our mailing list receive advance notice of these programs, as well as notice of classes and special workshops.

THE LIBRARY

We have a modest library of art books covering art history, biography and techniques. They may be used in the library or checked out with special permission of the Studio Director. These books are for members' use only.
